铝合金厨房收纳系统-Hepburn赫本系列

Aluminum alloy kitchen storage system-Hepburn Series

设计理念以传递“永恒优雅”的品牌精神，倡导一种“在烟火气中保持格调”的生活方式，让收纳不只是储物，更是一种生活态度的表达。该系列产品在设计与气质上承袭了“赫本-法式优雅”的核心特质——简约、精致、经久不衰。以简洁线条、搭配金色腰线，强调干净利落的造型、去冗余的设计语言，让功能与美感自然融合。

The design philosophy aims to convey the brand ethos of "timeless elegance" and advocate for a lifestyle that "maintains style amidst the hustle and bustle of daily life." Here, storage transcends mere functionality to become an expression of one's attitude towards life. This product series inherits the core characteristics of "Hepburn-French Elegance"—simplicity, refinement, and enduring appeal. Featuring clean lines accentuated by a golden waistline, the design emphasizes a neat, uncluttered form and eliminates superfluous elements, allowing functionality and aesthetic beauty to merge seamlessly.

Storking, a subsidiary of Intradin Hardware Co., Ltd., is built upon nearly two decades of specialized expertise in the hardware manufacturing industry. We are not merely a manufacturer, but a dedicated provider of solutions focused on the application of metal and hardware technologies.

Headquartered in Shanghai, a global financial hub renowned for its robust economy and manufacturing prowess, our company relocated its production base to Huzhou in 2017. This state-of-the-art facility spans 36,736 square meters and employs nearly 300 staff, comprising a skilled management team and a workforce that includes a highly competent group of technical experts and R&D professionals. We continuously integrate cutting-edge design concepts and production technologies from both domestic and international markets, supported by a complete suite of advanced manufacturing equipment and a well-established scientific management system.

Since our products entered the market, they have been well received by a wide range of customers, with distributors operating nationwide. Leveraging nearly twenty years of export experience, our products are shipped to Europe, North America, the Middle East, and Southeast Asia, with long-term agency partnerships established in Europe and the United States. We firmly believe in pursuing excellence through quality, offering competitive pricing, and dedicating ourselves to the continuous development of new products. Customization based on client-provided drawings is also available, and we are committed to delivering superior service and ensuring timely delivery, providing customers with comprehensive, high-quality support.

We sincerely welcome your esteemed company to visit us. Shishang looks forward to collaborating with you in a spirit of mutual trust, working together to achieve steady, rapid growth and create a prosperous future.
